The Honorable Donald J. Trump
The White House
Washington, DC 20500

Dear President Trump:

In August 2019, you stood with veterans in directing the Education Department to ensure that all totally and permanently disabled veterans would have their student loans forgiven. We were so grateful to you then. We write now to ask that you please stand with servicemembers, veterans, their families, and survivors again in supporting a bipartisan resolution, [H.J. Res 76](#), which would help veterans and military-connected students get relief from student loans they incurred as a result of fraud.

With a bipartisan vote in both the Senate and the House of Representatives, it is clear the support of Congress for veterans, servicemembers, and their families and survivors stands above partisan politics.

Please join us in ensuring that the men and women who have served their country honorably are not burdened with student loans that result from fraud. This has been an important [priority](#) for veterans organizations as reflected in a letter from [27](#) veterans organizations to the Education Department and a letter from [37](#) veterans organizations to Congress.

We appreciate your support.

Sincerely,
